#### WATER SHARES PURCHASE AND SALE AGREEMENT

| This Water Shares Purchase and                | Sale Agreement ("Agreement") entered into        |
|---|--|
| this day of, 2018, by ar                      | nd between Donald Vogel ("Vogel" or "Seller"),   |
| whose address is 6012 Neilwood Dr.,           | N. Bethesda, MD 20852, and the Triview           |
| Metropolitan District, a quasi-municipal co   | rporation and political subdivision of the State |
| of Colorado ("Triview" or "Buyer") whose      | address is 16055 Old Forest Point, Ste. 300,     |
| Monument, Colorado 80132. Vogel an            | d Triview are sometimes referred to herein       |
| individually and/or collectively as the "Part | y" or the "Parties."                             |

#### RECITALS

WHEREAS, Vogel is the owner of certain water rights, consisting of 32 shares of stock in the Fountain Mutual Irrigation Company, a Colorado mutual ditch company ("FMIC"), as represented by FMIC Certificate No. 1422 (the "FMIC Water Shares"); and

WHEREAS, Vogel and Triview desire to establish the terms and conditions upon which Vogel will sell and Triview will buy the FMIC Water Shares;

NOW THEREFORE, in consideration of the covenants and mutual agreements herein contained, and of other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

#### **COVENANTS AND AGREEMENTS**

- 1. <u>Purchase Price</u>. Vogel agrees to sell to Triview, and Triview agrees to purchase from Vogel, the Thirty-Two (32) FMIC Water Shares and FMIC's proportional water rights represented thereby, for the price of Four Hundred Sixteen Thousand Dollars (\$416,000.00, *i.e.* \$13,000.00 per share), subject to the terms and conditions herein.
  - 2. This Agreement is expressly contingent upon each of the following:
- A. Triview receiving satisfactory written pre-approval from the FMIC Board of Directors for the transfer of stock to Triview during the diligence period, as provided herein;
- B. Triview completing its due diligence investigation of the water rights, including, but not limited to, title and encumbrance review, and obtaining preapproval of the transfer of the FMIC Water Shares from the FMIC Board of Directors,. Triview represents, and Seller relies upon such representation, that it has sufficient cash or available financing to act as a cash purchaser of the FMIC Water Shares consistent with this Agreement. Such Due Diligence Period shall expire on December 1, 2018, and at such time Triview shall promptly advise Vogel of its intention to proceed to

closing, or its intention to terminate this Agreement consistent with the provisions of Paragraph 5, below;

- C. All costs of transferring the FMIC Water Shares into Triview's name following closing shall be borne by Triview, and Triview shall be responsible for any assessments related to the FMIC Water Shares after closing occurs.
- D. Closing shall occur at a time of mutual agreement of the Parties, as soon as practicable. In no instance, absent signed amendment to this Agreement by the Parties, shall closing occur after January 31, 2019, and should closing not occur by such date, depending on the cause therefore as provided herein, the Escrow Agent shall release such funds to the appropriate party and this Agreement shall be null and void. At closing Vogel shall turn over original FMIC Certificate No. 1422, representing Thirty-Two (32) FMIC Water Shares, free and clear from all liens and encumbrances, to Triview, including any and all required endorsements, paid in full to date of closing, as applicable. At closing Triview shall deliver the Purchase Price in good funds to escrow, to be held for Vogel's benefit pending re-issuance of the FMIC Water Shares in Triview's name by the FMIC Board. Closing shall otherwise proceed as follows:
- i. Triview shall provide to Vogel (via escrow) the amount of \$406,000, which with the addition of previously escrowed funds/Earnest Money in the amount of \$10,000, discussed in Paragraph 3, below, constitutes the full Purchase Price. Said Earnest Money shall be credited against the Purchase Price, reducing the Good Funds Triview shall bring to closing in kind.
- ii. Triview shall, immediately following closing to escrow, promptly submit the FMIC Water Shares Certificate No. 1422 to the FMIC Board, with all appropriate transfer documents and fees. Upon receipt of a re-issued certificate for the FMIC Water Shares, Triview shall immediately notify the Escrow Agent, with copy to Seller, in writing, and the Escrow Agent may then release the funds to Seller per Seller's instructions.
- 3. <u>Escrow Funds/Earnest Money</u>: At the time of mutual execution of this Agreement, Triview shall deposit in trust with the law firm of Monson, Cummins & Shohet, LLC, 13511 Northgate Estates Dr., Ste., 250, Colorado Springs, CO 80921 ("Escrow Agent") the sum of ten thousand dollars (\$10,000) in "Earnest Money", which shall be held in Escrow Agent's escrow account. The parties acknowledge that Escrow Agent also provides legal services as special counsel to Triview, but in said firm's role as Escrow Agent it shall be bound by the terms and conditions of this Agreement without regard to its attorney/client relationship to Triview.
- A. If the Parties, despite diligent efforts, are unable to proceed to closing under the terms and conditions provided herein, the escrowed Earnest Money shall be returned to Triview within ten days after Triview's written notice of termination for such cause, unless otherwise expressly agreed in writing by the Parties, provided such notice is delivered prior to the Diligence Deadline of December 1, 2018. Unless

such notice is timely provided prior to the Diligence Deadline, the Earnest Money shall be forfeited to Seller, subject to the provisions of Paragraph 3.B., below.

- B. Otherwise, subject to the remedies provided in Paragraph 4, below, at closing the escrowed Earnest Money shall be paid, combined with further payment to escrow as provided in Paragraphs 2.D., to Vogel's benefit, to be distributed to Vogel upon confirmation of timely re-issuance of the FMIC Water Shares to Triview by the FMIC Board.
- C. Should Triview fail to close for any reason other timely objection during the diligence period, constituting a breach of this agreement, Vogel may select its remedies by either (i) retaining the Earnest Money as liquidated damages, and therefore foregoing all other remedies under equity and law, as described in Paragraph 4, below, or (ii) choosing from the remedies otherwise available and leaving the Earnest Money in the custody of the Escrow Agent pending resolution of such remedies.
- 4. <u>Remedies.</u> Time is of the essence hereof. If any check received as Earnest Money is not paid, honored, or tendered when due, or if any of the obligations hereunder are not timely performed or waived, there shall be the following remedies:
- A. If Buyer is in default, Seller may elect to treat this Agreement as cancelled, in which case all earnest money shall be forfeited by Buyer and paid to and retained by Seller, or Seller may elect to treat this Agreement as being in full force and effect and Seller shall have the right to specific performance or damages, or both.
- B. If Seller is in default, Buyer may elect to treat this Agreement as cancelled, in which case all Earnest Money received hereunder shall be returned to Buyer, or Buyer may elect to treat this Agreement as being in full force and effect and Purchaser shall have the right to specific performance, or damages, or both, Triview retaining all legal remedies available under law and equity.
- 5. <u>Cooperation Clause.</u> The parties shall cooperate with one another in good faith to accomplish and fulfill the terms of this Agreement. Vogel acknowledges that Triview intends to utilize the FMIC Water Shares for municipal purposes, including in its own plans for augmentation, and expressly consents to and shall not oppose either directly or indirectly any such application for, and prosecution of, such water rights from the Division 2 Water Court to accomplish the same.
- 6. <u>Notices</u>. All notices provided for herein shall be in writing and shall be deemed given to a party when such written notice is actually delivered by personal deliver, certified mail or commercial mail. All notices to parties shall be provided at the addresses set forth in this Agreement or as said addresses are changed by written notice.
- 7. <u>Assignment</u>. Triview may assign this Agreement to any entity wholly controlled by Triview, or parts hereof or its duties hereunder, without the express written

consent of Vogel, specifically including to its "water enterprise", as defined by Colorado statute and constitutional provisions. In the event of a full or partial assignment of this Agreement to any third Party, the assignee shall fully assume and perform all of the assignor's obligations under this Agreement, but the assignor shall not be released from any obligation so assigned unless otherwise agreed to by the Parties to this Agreement. Subject to the above restrictions, each and all of the covenants, terms, provisions and agreements herein contained shall be binding upon and inure to the benefit of the Parties hereto and their respective successors and assigns.

- 8. <u>Authorization</u>. Each Party represents to the other that it has taken all action necessary to enable it to enter into this Agreement, and that the persons whose signatures appear below are authorized to execute this Agreement and bind their respective Parties to the terms hereof.
- 9. <u>Amendments</u>. This Agreement may be amended only by a written instrument executed by both Parties.
- 10. <u>Third Party Beneficiaries</u>. Except as expressly provided in this Agreement, this Agreement is not intended to give any rights to third parties, and no such third party who is not a signatory to this Agreement shall be entitled to enforce any provision hereof or claim any damages arising from a breach hereof.
- 11. <u>Governing Law</u>. This Agreement and the provisions hereof shall be governed by and construed in accordance with the laws of the State of Colorado. Venue for judicial resolution of any dispute hereunder shall be proper in the District Court for El Paso County, Colorado.
- 12. <u>Severability</u>. If any provision of this Agreement or the application thereof to any party or circumstance is determined to be invalid, illegal or unenforceable to any extent, the remainder of this Agreement and the application thereof shall not be affected and shall be enforceable to the fullest extent permitted by law. However, in the event that the severance of an invalid or unenforceable provision materially impairs the consideration expected by a Party, then such Party may terminate the Agreement.
- 13. <u>Counterparts</u>. This Agreement may be executed in counterparts, each of which shall be deemed an original but all of which shall constitute one and the same instrument.
- 14. <u>Entire Agreement</u>. This Agreement constitutes the entire agreement between the Parties hereto relating to the matters set forth herein, and sets forth all of the rights, duties and obligations of each Party. Any prior agreements, promises, negotiations or representations not expressly set forth in this Agreement are of no force and effect.
- 15. <u>Commissions.</u> Buyer and Seller represent that there are no real estate brokers, agents or consultants of record in this transaction other than Quantum

Commercial Group, Inc. ("Seller's Broker"). Any commission due to Seller's Broker shall be paid by Seller from Seller's proceeds under the Contract, or by such other means as Seller may agree with Seller's Broker. Buyer in no instance shall be liable for costs or expenses related to Seller's, Broker commission or fees, beyond payment of the Purchase Price.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the day and year first written above.

Project Name: Tree replacements

Project Description: Replace trees in common areas where ones didn't make it.

| b Number  | Description  | Amount   |
|-----------|--|----------|
|           | Install new trees where dead one where taken out by Tri View metro district. Plant, backfill with amended topsoil, install tree wells or berms on slopes, water in new tree, stake and tie in trees, check the drip irrigation is installed correctly, install mulch tree rings. |          |
|           | These trees carry a 1 year warranty from install date. Warranty will be void if brightview does not perform winter watering twice a month in non irrigated months.   |          |
|           | Winter watering is not included in this proposal.  |          |
